Serving With the People of Rwanda

## *June 2011*

**From Marty** - I had a great trip to Korea, representing Rwanda, at the World Taekwondo Championships in late April and early May. If you want to read more about my trip go to: [Unfolding Life](#) After returning, I have been able to initiate two Discovery Bible Study groups which we are using to train discipleship group leaders. We are continually amazed by how God could use something like Taekwondo to advance his kingdom here in Rwanda.

**From Louise** - In late May I attended the "Come Before Winter" renewal for women in ministry which was held here in Rwanda. I was chosen to be one of the Missionary Ambassadors to go with the team to South Africa for a renewal there. The first week was a blessing to me, and hopefully the second week I was a part of God's blessing to others. Click here to learn more about CBW:

**From the boys** - We finished school at the end of May. We all passed and will advance to our next grade levels! Tucker and Taylor both received good character awards. Now that we are out of school, we are training with the Taekwondo team and taking Kinyarwanda lessons. Trevor celebrated his 10th birthday this month.

## Prayer Points

University Summer Internship  
Continued Spiritual growth through Taekwondo training  
Intended return family visit to Togo in August
